Structure

All our tables are manufactured in HPL compact outdoor - So they are time-tested & ultra durable!

Solar energy

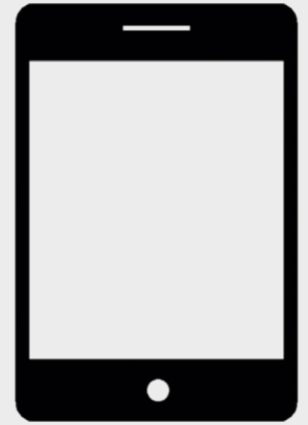

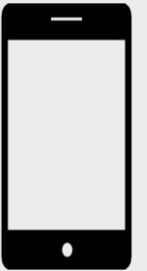

All our tables are equipped with safety PHOTOVOLTAIC glass
Wide range of colors and transparencies

Connection

All our tables have the latest connectors to load any electronic devices.

USB – Speed charging **3000ma**

Qi – Wireless charging

Decors

Thanks to our partners, we have a wide range of decor
Over 100 Material Colors and Effects

<https://www.fundermax.at/fr/external/decors.html>

Lighting

The integration of led allows our tables to light up according to a program defined by the user -
Control via a smartphone application: Ignition control, color & intensity

Collection
